Keiffer Pear Seedlings

We have a nice lot, which we are selling at \$5.00 per 1000, $\frac{1}{4}$ in. and up
Why not bud part of your pears on these? They are cheaper than the French seedlings and we have had equally as good success with them.

Barberry Thunbergii Seedlings Transplanted

10 in. and up 2-year transplanted, \$8 per 1000
8 to 10 in. 2-year transplanted, \$6 per 1000

From the fact that these are transplanted, they are much more bushy and have a much better root system than most seedlings offered on the market which are left in the bed two years and have grown up tall and slim.

Barberry Thunbergii (3-yr. Fine bushy stock)

10000 2 to 3 ft. \$8 per 100, \$50 per 1000
8000 18 to 24 in. \$6 per 100, \$40 per 1000

White Pine (free from disease)

600 24 in. at \$30 per 100 200 18 in. \$20 per 100

=====

We aim to keep our varieties true to name, and will replace, on proper proof, all that prove otherwise, or refund the purchase price, but we do not give any warranty, expressed or implied, and it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the purchase price.
